# CONVERGENZ

Building the Digital Future

WHO WE ARE

Convergenz, LLC was founded in 2000 with a focus on connecting great people with great opportunities. By building each block of the company one relationship at a time, our tailored solutions and tenured staff differentiate us in the marketplace. We take pride in our ability to truly understand our customers and ensure we put an emphasis on quality. Convergenz has been able to carve out a niche in the Human Capital Solutions industry as a strategic IT staffing partner in key vertical markets, which are encompassed in both commercial and government sectors.
