CONVERGENZ

Building the Digital Future

Present in **49** States, with over **400** clients supported, and over **15k** professionals placed.

Who We Are

Convergenz, LLC was founded in 2000 with a focus on connecting great people with great opportunities. By building each block of the company one relationship at a time, our tailored solutions and tenured staff differentiate us in the marketplace. We take pride in our ability to truly understand our customers and ensure we put an emphasis on quality. Convergenz has been able to carve out a niche in Human Capital Solutions, as a strategic subcontractor or staffing partner across a diverse portfolio of agencies, programs and skill sets.
